

Round and Round

Imagine Dragons

We are all living the same way, the same way
We are escaping the same way, the same way
 Circling
We are a part of the same play, same play
We think we're making our own way, own way
Circling You don't have to hold your head up high Round and round
 I won't run away this time
 Till you show me what this life is for
 Round and round
I'm not gonna let you change my mind
Till you show me what this life is for
We are afflicted by fiction, by fiction
Building a case for eviction, eviction
 Circling
Guarding a tower of ancients, of ancients
Shooting down arrows of patience, of patience
And patiently circling You don't have to hold your head up high Round and round
 I won't run away this time
 Till you show me what this life is for
 Round and round
I'm not gonna let you change my mind
Till you show me what this life is for All the emptiness inside you
 Is hard enough to fill
 Without a sense of purpose
 Were setting up to fail
You don't have to make it right
Just hold your head up high
 Round and round
 I won't run away this time
 Till you show me what this life is for
 Round and round
I'm not gonna let you change my mind
Till you show me what this life is for
