

Effigy

Creedence Clearwater Revival

Last night
I saw a fire burning on
The palace lawn.
O'er the land,
The humble subjects watched in mixed
Emotion.CHORUS:

Who is burnin'?

Who is burnin'?

Effigy.

Who is burnin'?

Who is burnin'?

Effigy.

Last night
I saw the fire spreadin' to
The palace door.
Silent majority
Weren't keepin' quiet
Anymore.CHORUSLast night

I saw the fire spreadin' to

The countryside.

In the mornin',

Few were left to watch

The ashes die.CHORUS

Why?

Why?

Why?

Effigy.
