

# Dreaming of You

## Cigarettes After Sex

Seen you from afar  
Wondered who you are  
Wondered what you're like  
Think you're just my type And now I'm dreaming, dreaming, dreaming, dreaming, dreaming, of  
you And now I'm dreaming, dreaming, dreaming, dreaming, dreaming, of you  
Want you, yes I do  
Bet you never knew it  
Think you'd suit me fine Want you all the time  
And now I'm dreaming, dreaming,  
dreaming, dreaming, dreaming of you  
And now I'm dreaming, dreaming, dreaming, dreaming, dreaming, of you  
You're the one I'm calling on  
You're the one who's calling me to have it  
You're the one I'm calling on  
You're the one who's calling me to have it  
You're the one I'm calling on  
You're the one who's calling me to have it  
You're the one I'm calling on  
You're the one who's calling me to have it  
Dreaming, dreaming, dreaming  
dreaming, dreaming, of you  
Dreaming, dreaming, dreaming  
dreaming, dreaming, of you  
Dreaming, dreaming, dreaming  
dreaming, of you  
Dreaming, dreaming, dreaming  
dreaming, of you
