

# Worry About You

Ivy

Bye, bye, baby  
Don't be long  
I worry about you  
While you're gone  
Bye, bye, baby  
Don't be long  
I worry about you  
While you're gone  
I think of you in my dreams  
You never know, just what you mean, to me  
To me

Boo ba bada boo be boo ba baada  
Boo ba bada boo be ba da baada  
Boo ba bada boo be boo ba baada  
Boo ba bada boo be ba da baada  
Bye, bye, baby  
Don't be long  
I worry about you  
While you're gone  
Bye, bye, baby  
Don't be long  
I worry about you

While you're gone  
I think of you night and day  
I never know just what you meant, to say  
To say

Boo ba bada boo be boo ba baada  
Boo ba bada boo be ba da baada  
Boo ba bada boo be boo ba baada  
Boo ba bada boo be ba da baada  
Boo ba bada boo be boo ba baada  
Boo ba bada boo be ba da baada  
Boo ba bada boo be boo ba baada  
Boo ba bada boo be ba da baada  
Boo ba bada boo be boo ba baada

Boo ba bada boo be ba da baada  
Fades out
