

# Bang Bang Bang

## Selena Gomez & The Scene

Yeah

Yeah

Ooh, ooh, oh

My new boy used to be a model He looks way better than you, he looks way better than you

My new boy gets it how to get me

His love is deeper you know, he's a real keeper you know, oh

Bang bang bang, I'm breaking in stealing all my love back, giving it to him

Ooh-oh

Bang bang bang, this time I win

I thought your love was all that until I let him in

Ooh-oh

You're gonna be the one, you're gonna be the one

You're gonna be the one, you're gonna be the one that's moping

Ooh-oh

You're gonna be the one, you're gonna be the one

When I'm out having fun you're gonna be the one that's broken

My new boy knows it how I want it

He's got more swagger than you, he's got more swagger than you do

My new boy really likes to flaunt this

He's not hiding me you know

He's showing me off you know, oh Bang bang bang, I'm breaking in

Stealing all my love back, giving it to him

Ooh-oh

Bang bang bang, this time I win

I thought your love was all that until I let him in

Ooh-oh

You're gonna be the one, you're gonna be the one

You're gonna be the one, you're gonna be the one that's moping

Ooh-oh

You're gonna be the one, you're gonna be the one

When I'm out having fun you're gonna be the one that's broken

I hope you slip and fall and trip all over my heart

And just lay there alone, yeah you got what you wanted

On your hands and knees Gasping for love, gasping for me

Baby don't hold your breath, I've moved on to the next oh woah

On to the next one, on to the next one, oh woah

On to the next one, on to the next one

Bang bang bang, I'm breaking in Stealing all my love back, giving it to him

Ooh-oh

Bang bang bang, this time I win

I thought your love was all that until I let him in

Ooh-oh

You're gonna be the one, you're gonna be the one  
You're gonna be the one, you're gonna be the one that's moping  
Ooh-oh

You're gonna be the one, you're gonna be the one  
When I'm out having fun you're gonna be the one that's broken  
Ooh-oh

Bang bang bang, I'm breaking in  
Stealing all my love back, giving it to him  
Ooh-oh

Bang bang bang, this time I win  
I thought your love was all that until I let him in
