

Love Is Stronger Than Pride

Amber Mark

Walked in
And I didn't stop living
I walked in
I'm good at forgiving I can't hate you though I have tried
I still really really love you
Love is stronger than pride I walked in
And I didn't stop living
I walked in
I'm good at forgiving
I can't hate you though I have tried
I still really really love you
Love is stronger than pride Sitting here wasting my time
Feel like waiting for the sun to rise
It's all too clear
Things come and go
Sitting here waiting for you would be like
Waiting for winter
It's gonna be cold
There might even be snow
I can't hate you though I have tried, I
I still really really love you
Love is stronger than pride
I still really really love you
Love is stronger than pride
