

My Own Summer (Shove It)

Deftones

Hey you, big star
Tell me when it's over (cloud) Hey you, big moon
Guide me to shelter
'Cause I'm through
When the two
Hits the six
And it's summer (cloud) Come (shove it, shove it, shove it)
Shove (shove it, shove it, shove it)
The sun (shove it, shove it, shove it)
Aside (shove it aside) I think God is moving it's tongue
There's no crowds in the street and no sun
In my own summer
The shade is a tool
A device, a savior
See, I try and look up
To the sky but my eyes burn (cloud) Come (shove it, shove it, shove it)
Shove (shove it, shove it, shove it)
The sun (shove it, shove it, shove it)
Aside (shove it aside) Come (shove it, shove it, shove it)
Shove (shove it, shove it, shove it)
The sun (shove it, shove it, shove it)
Aside (shove it aside) I think God is moving it's tongue
There's no crowd in the street and no sun
In my own summer
Come (shove it, shove it, shove it)
Shove (shove it, shove it, shove it)
The sun (shove it, shove it, shove it)
Aside (shove it aside)
