Always

[Panic! At the Disco](#)

When the world gets too heavy
Put it on my back
I will be your levy
You are taking me apart
Like bad glue
On a get well cardIt was always you
Falling for me
Now there is always time
Calling for me
I'm the light blinking at the end of the road
Blink back to let me know
I'm a fly that is trapped
In a web
But I am thinking that
My spider's dead
Lonely, lonely little life
I could kid myself
In thinking that I am fineIt was always you
Falling for me
Now there is always time
Calling for me
I'm the light blinking at the end of the road
Blink back to let me knowThat I'm skin and bone
Just a king and a rusty throne
Oh, the castle's under siege
But the sign outside says, "Leave me alone"
It was always you
Falling for me
Now there is always time
Calling for me
I'm the light blinking at the end of the road
Blink back to let me know(It was always you)
Blink back to let me know
(It was always you)
