

Cocaine Kids

Hooverphonic

Oh it's hip to be a cocaine kid
I'd rather kick it with the cocaine kids Fly through the mushroom sky
Buy a little piece of that pie
Sounds like it left the ground
'Till your head spins round

The writers of this material in no way encourage
or condone the use of illicit substances
If you choose to indulge in illegal recreational
activities, you do so at the risk of prosecution
So why not sit back, relax and have a nice cup
of tea and a biscuit, okay...?
