

# Gone Away

## Five Finger Death Punch

Maybe in another life  
I could find you there  
Pulled away before your time  
I can't deal it's so unfair[Chorus]  
And it feels  
And it feels like  
Heaven's so far away  
And it feels  
Yeah, it feels like  
The world has grown cold  
Now that you've gone away[Verse 2]  
Leaving flowers on your grave  
Show that I still care  
Black roses and Hail Mary's  
I can't bring back what's taken from me  
[Pre-Chorus]  
I reach to the sky  
And call out your name  
Oh please let me trade  
I would[Chorus]  
And it feels  
And it feels like  
Heaven's so far away  
And it stings  
Yeah, it stings now  
The world is so cold  
Now that you've gone awayGone away  
Gone away  
Yeah yeah yeah yeah yeah  
Ooh  
Yeah ooh-ooh[Solo][Pre-Chorus]  
I reach to the sky  
And call out your name  
Oh please let me trade  
I would[Chorus]  
And it feels  
And it feels like  
Heaven's so far away  
And it feels  
And it feels like  
Heaven's so far away  
And it stings

Yeah, it stings now  
The world is so cold  
Now that you've gone awayGone away  
Gone away  
Yeah yeah yeah yeah yeahOoh  
Yeah ooh-oohYeah ooh-ooh  
Yeah ooh-oohAnd it feels  
And it feels like  
The world is so cold  
Now that you've gone away
