

# Make It Last Forever

Ciara

[Intro - Darkchild]

Yeah, yeah

Yeah, it's your boy, Darkchild

And I got my homegirl, CiCi

In the place to be

You ready? Let's go! [Verse 1]

Trippin' in my soul

I just want you home

I wish I was with ya

Boy, I really miss ya

I spray your cologne

Cuz it turns me on

I wish I was with ya

Boy, I really wanna see you

[Chorus]

Whatever you want (alright, alright)

I just wanna be with you (we can do it)

(Whatever)

And baby, I'm yours (alright, alright)

Tonight is all about me and you (make it last forever) [Verse 2]

I know what you want

So turn off your phone

you want some attention

But that's my intention

You see what you get

Scream out who you with

And don't you forget

Boy, come over here and get it

Say "yeaaaah"

[Pre-chorus]

When you put your arms around me (oh yeah)

I can get up all around me

And I'm so glad to see ya (oh yeah)

I'll do anything to be with ya [Chorus 2x]

Whatever you want (alright, alright)

I just wanna be with you (we can do it)

(Whatever)

And baby, I'm yours (alright, alright)

Tonight is all about me and you (make it last forever) [Bridge]

There's no escaping and

We got a chemistry

Baby, you know what I like (I know you know)

You're makin' me say  
Yeah, da-da-da-da-dap-da-da-dat (da-da-da-da-dap-da-da-dat)  
It's alright[Chorus]

The voice is lovely  
Cuz Im gonna taste just like  
The way I better rock that show  
Shut this place down and now get low  
Let's go[Chorus]  
Whatever you want (alright, alright)  
I just wanna be with you (we can do it)  
(Whatever)  
And baby, I'm yours (alright, alright)  
Tonight is all about me and you (make it last forever)[Outro 2x]  
You can't deny the feelin'  
Put your hands up to the ceiling  
I want everybody with me, c'mon[Encore 2x]  
I love, I love you  
I need you, I need you  
I want you, I want you  
So baby, call me
