Blue

Marina and The Diamonds

We've broken up and now I regret it (regret it) I said goodbye when I shouldn't have said it (said it) I even cried but I never meant it (regret it) And I don't know why but I can't forget it, forget itGimme love, gimme dreams, gimme a good self esteem Gimme good and pure, what you waiting for? Gimme everything, all your heart can bring Something good and true I don't wanna feel blue anymore (blue) I don't wanna feel blue anymore (blue) Gimme, gimmeGimme one more night One last goodbye Let's do it one last time Let's do it one last time One more time No, I don't love you No, I don't care I just wanna be held when I'm scared And all I want is one night with you Just cause I'm selfish I know it's trueGimme love, gimme dreams, gimme a good self esteem Gimme good and pure, what you waiting for? Gimme everything, all your heart can bring Something good and true I don't wanna feel blue anymore (blue) I don't wanna feel blue anymore (blue) Gimme, gimmeGimme one more night One last goodbye Let's do it one last time Let's do it one last time One more time I'm sick of looking after you I need a man to hold on to I'm bored of everything we do But I just keep coming back to youI'm sick of looking after you I need a man to hold on to I'm bored of everything we do But I just keep coming back to youFor one more night (one more night) One last goodbye (last goodbye) Let's do it one last time (one last time) Let's do it one last time One more timeGimme love, gimme dreams

Gimme a good self esteem Gimme good and pure, what you waiting for? Gimme everything, all your heart can bring Something good and true I don't wanna feel blue anymore (blue) I don't wanna feel blue anymore (blue) Gimme, gimme, gimme anything But blue, blue, blue, royal blue I just wanna know who I'm looking for (blue) Song Discussions is protected by U.S. Patent 9401941.
