

# Whenever (feat. Conor Maynard)

## Kris Kross Amsterdam & The Boy Next Door

Baby, we'll be together when you come over  
Ya, I need you to  
Get you a ticket and I'll make you fly over  
You won't make it through  
I need some loving yet a little bit sober  
Won't say goodbye  
You won't regret when you're a little bit older  
Because Whenever, wherever  
We're meant to be together  
I'll be there and you'll be near  
And that's the deal my dear  
We're over, you're under  
You never have to wonder  
We can always play by ear  
And that's the deal my dear  
And that's the deal my dear  
And that's the deal my dear  
My mama's mad but I never cared  
And babe, I don't regret it  
I'm pretty sorry that you never met  
But girl, I'll work on that  
Even a million miles won't get me going  
I'll meet you every night  
In every dream I find your love  
That makes me smile Whenever, wherever  
We're meant to be together  
I'll be there and you'll be near  
And that's the deal my dear  
We're over, you're under  
You never have to wonder  
We can always play by ear  
And that's the deal my dear  
And that's the deal my dear  
And that's the deal my dear  
I'll leave you with my fantasy  
I won't leave you till' I die  
Girl, you are my only remedy  
If you go I won't survive anymore Whenever, wherever  
We're meant to be together  
I'll be there and you'll be near  
And that's the deal my dear  
We're over, you're under

You never have to wonder  
We can always play by ear  
And that's the deal my dear And that's the deal my dear  
We can always play by ear  
And that's the deal my dear
