

Nasty Letter

Otis Taylor

Somebody wrote me, a nasty letter,
But they didn't, sign their name
I think I know, I know who wrote it
Well I recognize, recognize that hand

It's getting warm

Oh so warm

It's so warm

On a winter's day I'm reading backwards, reading backwards,

On this page

Hoping to defend

If the devil come

I've been wrongly, wrongly accused

Been wrongly, I've been wrongly,

I've been wrongly, wrongly accused.
