## Hey Ma (feat. Camila Cabello)

## J Balvin & Pitbull

I'm here like for one night So we don't gotta waste time I know that you feel it

My hands upon your waist land

So won't you, come closer

Let me know you're all mine (let me know) Let me know you're all mine (let go)And I might stay tonight

But not for long

And I might say goodbye

Right now, baby, right nowI need you

Hey mama, hey mama, hey mama, hey ma'

I need you

Hey mama, hey mama, hey mama, hey ma'

Girl, it's getting hotter

I can't take much more

I need youHey mama, hey mama, hey mama, hey ma'

I need you

I am what they wanna be

Check the stacks

James Bond in the flesh, girl

That's a fact

I was raised by old g's

So I'm low key (uh huh)

How much you need?

And you like

"Baby believe me"

I'm a freak

That can eat, that can beat

That can treat you like that queen

That you was meant to be

Oh yeah

I'm the good, I'm that raw

Slick on the dong

With nothing to something

To had it all

Now, mami, just watch, learn and listen

I've got a feeling so good she stay switchin'But before I banish

She spoke Spanish

She said: "Papito rico, te necesito"I might stay tonight

But not for long

And I might say goodbye
