

# Paper Love

Allie X

I believe, I believe in the things you do  
And I wanna believe you believe that too  
All the noise in my ear when I hear about you  
Pray it can't, pray it don't, pray it won't come true I know you were thinking  
Bad things when you kissed me, oh  
Your tongue told me every lie  
Sad song, warm occasion  
Last week sweat no matter what  
I'll be stretching out the time  
Oh, I know that boy's gonna rip me up  
'Cause he ain't that nice, he won't do right  
He'll leave a nasty cut  
Oh, I cry until I just dissolve  
Come on watch my heart turn to pulp  
Like paper (paper-paper)  
Paper Love

(Paper, paper love) I believe, I believe in a line so thin  
There's a light, there's a light and it pulls me in  
Going down, going down 'til I chip my chin  
Take my head in your hands, pop it with a pin  
(With a pin) I know you were thinking  
Bad things when you kissed me, oh  
Your tongue told me every lie  
Sad song, warm occasion  
Last week sweat no matter what  
I'll be stretching out the time  
Oh, I know that boy's gonna rip me up  
'Cause he ain't that nice, he won't do right  
He'll leave a nasty cut  
Oh, I cry until I just dissolve  
Come on watch my heart turn to pulp  
Like paper (paper-paper)  
Paper Love  
(Paper, paper love)
