

It's All Good

Superorganism

Good morning Orono, you are awake
The weather today is dark
Would you like to get up?
Or perhaps, do nothing, nothing
(It is not an easy one)Scream, I just had a dream
That my friends all dissolved away
Breathe, it's all reality
I'm 17, still not over that dreamWe know you feel the world is too heavy
But you can turn it all around if you want
Oh yes you're in charge of what you feel
And when your life is looking real grim it's time to scream it out
Yeah, yeah, yeah, yeah
It's all good
(You tell yourself)
It's all good
(??? ?????)
It's all good
(How does it feel?)
It's all, it's all
It's all, it'sHi, this is Anthony Robbins
I wanna take a moment to thank you for the privileged and the opportunity to share with you
the strategies and techniques that have positively shaped my lifeRun, I've had it up to here
Gotta get out and do all of my chores
Hold up, it's only 3pm
I'm ought to go back and relax some more
We know you feel the world is too heavy
But you can turn it all around if you want
Oh yes you're in charge of what you feel
And when your life is looking real grim it's time to scream it out
Yeah, yeah, yeah, yeahIt's all good
(You tell yourself)
It's all good
(??? ?????)
It's all good
(How does it feel?)
It's all, it's all
It's all, it'sCongratulations
Good
