

Everybody

DJ Bobo & INNA

Music is what i'm living for
Everybody loves to dance
With another summer romance
uh baby
Everybody likes to move
All the fellows having the groove
uh baby
Everybody move your feet
To the rythm of this beat
Everybody sing this song
All the people having funEverybody move your feet
To the rythm of this beat
Everybody sing this song
All the people having fun
Music is what I'm living for
Hit the dancefloor like there ain't no more
Ain't no more time for taking your chance
Jam digin jam to the summer romance
wave your hands in the air
Everyone and everywhere...
Move your body jump around check it out with this sound
Everybody, everybody.get up and sing it loud
This is the sound that makes you feel proudEverybody here tonight
We will never start a fight
uh baby
Everybody is feeling proud
If you feel it say it loud
uh baby
Everybody move your feet
To the rythm of this beat
Everybody sing this song
All the people having funEverybody move your feet
To the rythm of this beat
Everybody sing this song
All the people having funWhen the sun goes down
And the night moves up
The time is right to enjoy yourself
And doin' whatever you wanna do
I mean everybodyPleasure and pain sometimes the same
I'm not the shamed there's no name for the game
The game that makes my heart still pumping
Boom boom, my body is jumping

Love everyday and night
