

Believer

Ben Kweller

When you're hurt, you heal others.
When you're in need, you give.
Because of you, I am living
The most that I can live. Oh, sweet darlin' girl
I'm so glad you found me.
Oh, sweet darlin' girl
Your power surrounds me. Remember me, don't forget me.
I have something true.
My path is dark, my steps uncertain
Unless I walk with you. Oh, sweet darlin' girl
I'm so glad you found me.
Oh, sweet darlin' girl
Your power surrounds me.
Your power...
Your power...
Your power...
Oh, surrounds me. You speak to me without speaking.
You touch so I can feel.
With your strength, I am stronger.
At last I know I'm real. Oh, sweet darlin' girl
I'm so glad you found me.
Oh, sweet darlin' girl
Your power surrounds me. Your power...
Your power...
Your power, Oh
Woah-oh-oh, sweet darlin' girl
Woah-oh-oh, sweet darlin' girl
Woah-oh-oh, sweet darlin' girl
I'm so glad, that you found me. I'm so glad, that you found me.
((Repeat until end))
