

Salad Dressing

Borgore & Bella Thorne

I don't know if you mind
But would you like the sauce in the salad?
Or the sauce on the side?
The sauce in the salad
Or the sauce on the side?
The sauce in the salad
Or the sauce on the side?
The sauce in the salad
Or the sauce on the side?
I don't know if you mind
But would you like the sauce in the salad?
Or the sauce on the side?
The sauce in the salad
Or the sauce on the side?
I don't care
You can put it anywhere
Put it anywhere
Put it-put it, anywhere
Put it anywhere
Put it anywhere
Put it-put it, anywhere
Put it anywhere I don't know if you mind
But would you like the sauce in the salad?
Or the sauce on the side?
The sauce in the salad
Or the sauce on the side?
The sauce in the salad
Or the sauce on the side?
The sauce in the salad
Or the sauce on the side?
I don't know if you mind
But would you like the sauce in the salad?
Or the sauce on the side?
The sauce in the salad
Or the sauce on the side?
The sauce in the salad
Or the sauce on the side?
The sauce
You can put it anywhere
Put it anywhere
Put it-put it, anywhere
Put it anywhere

Put it anywhere
Put it-put it, anywhere
Put it anywhere
Put it-put it, anywhere
Put it anywhere I don't know if you mind
But would you like the sauce in the salad?
Or the sauce on the side?
The sauce in the salad
Or the sauce on the side?
The sauce in the salad
Or the sauce on the side?
The sauce in the salad
Or the sauce on the side?
I don't know if you mind
But would you like the sauce in the salad?
Or the sauce on the side?
The sauce in the salad
Or the sauce on the side?
The sauce in the salad
Or the sauce on the side?
I don't care
You can put it anywhere
