

Been There, Done That

Luke Bryan

Girl, you and me ain't talking much
I just slam the door and leave in my truck
There ain't nothin' left for us
I think enough's enough
I look down, see your name there on my phone, then I hit ignore and just drive on
We've been living like this too long
There ain't no reason to turn around
Baby, you can have it all I ain't, I ain't coming back
I've already been there, done that
And I'm done with you messing with my mind
The last times the last time, baby
I can only change who I am so much
and all I can give is all my love
And my love ain't never been enough
So I ain't coming back
I've already been there, done that
Street by street and town after little down.
Feels like that I'm on the right road now.
I bet you're wondering how, I could just walk out.
I put you high up as I could
And I know I've done everything I should
to try and make a bad thing good
I guess it just took too long for me to see
that we ain't meant to be I ain't, I ain't coming back
I've already been there, done that
And I'm done with you messing with my mind
The last times the last time, baby
I can only change who I am so much
and all I can give is all my love
And my love ain't never been enough
So I ain't coming back
I've already been there, done that
I'll wake up and I'll start to second-guess myself
And I'll crave your touch, oh but I know too well I ain't, I ain't coming back.
I've already been there, done that
And I'm done with you messing with my mind
The last times the last time, baby.
I can only change who I am so much
and all I can give is all my love
And my love ain't never been enough
So, I ain't coming back
No, I ain't coming back

I've been there, done that
