

Sanctuary

Madonna

(Spoken:)

Surely whoever speaks to me in the right voice
Him or her I shall follow Who needs the sun, when the rain's so full of life
Who needs the sky

It's here in your arms I want to be buried
You are my sanctuary Who needs the sun, when the rain's so full of life
Who needs the sky, when the ground's open wide

It's here in your arms I want to be buried

You are my sanctuary

Who needs a smile, when a tear's so full of love

Who needs a home, with the stars up above

It's here in your heart I want to be carried

You are my sanctuary Who needs the light, with the darkness in your eyes
Who needs to sleep, with the stars in the sky

It's here in your soul I want to be married

You are my sanctuary (Spoken:)

And the earth was void and empty

And darkness was upon the face of the earth Is all of this pain so necessary

You are my sanctuary (Spoken:)

Surely whoever speaks to me in the right voice

Him or her I shall follow

As the water follows the moon, silently

Who needs the sun [with fluid steps]

Who needs the sky [around the globe]

Who needs to sleep [I hear your voice]

You are [you are] my sanctuary

You are [you are, you are]

You are [you are] my sanctuary
