

Sanctuary

Madonna

(Spoken:)

Surely whoever speaks to me in the right voice
Him or her I shall follow Who needs the sun, when the rain's so full of life
Who needs the sky

It's here in your arms I want to be buried
You are my sanctuary Who needs the sun, when the rain's so full of life
Who needs the sky, when the ground's open wide

It's here in your arms I want to be buried
You are my sanctuary

Who needs a smile, when a tear's so full of love
Who needs a home, with the stars up above

It's here in your heart I want to be carried
You are my sanctuary Who needs the light, with the darkness in your eyes
Who needs to sleep, with the stars in the sky

It's here in your soul I want to be married
You are my sanctuary (Spoken:)

And the earth was void and empty
And darkness was upon the face of the earth Is all of this pain so necessary
You are my sanctuary (Spoken:)

Surely whoever speaks to me in the right voice
Him or her I shall follow

As the water follows the moon, silently
Who needs the sun [with fluid steps]

Who needs the sky [around the globe]
Who needs to sleep [I hear your voice]

You are [you are] my sanctuary
You are [you are, you are]

You are [you are] my sanctuary
