

Impossible

Band of Skulls

Everyday I'm disappearing
Out of sight and out of hearing
It's impossible, it's impossible
To be invincible, to be invincible More and more, it happens daily
My first name's George and the second Bbailey
It's impossible, it's impossible
To be invincible, to be invincible I am a man
I am a man
I am a man
I am a man
'Cause you said I am.
Yeah.
So cut me out of the family photo
Who would have thought of sinking so low?
It's impossible to be invincible
But maybe it's possible to be impossible I am a man
I am a man
I am a man
I am a man
'Cause you said I am
Yeah I am a man
I am a man
I am a man
I am a man
'Cause you said I am
Yeah
Aha, Uha, Oha, Ohoh
Aha, Uha, Oha, Ohoh
Aha, Uha, Oha, Ohoh
Aha, Uha, Oha, Ohoh
