

Immortality (feat. Céline Dion)

Bee Gees

So this is who I am
And this is all I know
And I must choose to live
For all that I can give
The spark that makes the power grow But I will stand for one dream if I can
Symbol of my faith in who I am
But you are my only And I must follow on the road that lies ahead
I won't let my heart control my head
But you are my only And we don't say goodbye
We don't say goodbye
And I know what I've got to be...
Immortality
I make my journey through eternity
I keep the memory of you and me
Inside Fulfill your destiny
It's there within the child
My storm will never end
My fate is on the wind
The King of Hearts
The Joker's wild We don't say goodbye
We don't say goodbye
I'll make them all remember me Cause I have found the dream that must come true
Every ounce of me must see it through
But you are my only
I'm sorry I don't have the role for love to play
Hand over my heart I'll find my way
I will make them give to me... Immortality
There is a vision and a fire in me
I keep the memory of you and me
Inside
And we don't say goodbye
We don't say goodbye
In all my love for you
And what else we may do
We don't say goodbye...
