

# Guillotine (feat. Travis Mendes)

**Jon Bellion**

Sleep on me, feel the rhythm in my chest, just breathe  
I will stay so the lantern in your heart won't fade  
The secrets you tell me I'll take to my grave  
There's bones in my closet but you hang stuff anyway  
And if you have nightmares, we'll dance on the bed  
I know that you love me, love me  
Even when I lose my head  
Guillotine, guillotine  
Even when I lose my head  
Guillotine, guillotine  
Even when I lose my head  
Kiss my lips, feel the rhythm of your heart and hips  
I will pray so the castle that we've built won't cave  
The secrets you tell me I'll take to my grave  
There's bones in my closet but you hang stuff anyway  
And if you have nightmares, we'll dance on the bed  
I know that you love me, love me  
Even when I lose my head  
Guillotine, guillotine  
Even when I lose my head  
Guillotine, guillotine  
Even when I lose my head  
You fill me up, you fill me up  
You set my soul ablaze  
You fill me up, you fill me up  
Your love is so amazing  
You fill me up, you fill me up  
You set my soul ablaze  
You fill me up even when I lose my head  
Guillotine, guillotine  
Even when I lose my head  
Guillotine, guillotine  
Even when I lose my head  
Guillotine  
Even when I lose my head  
Guillotine, guillotine  
Even when I lose my head  
You fill me up, you fill me up  
You set my soul ablaze  
You fill me up, you fill me up  
Your love is so amazing  
You fill me up, you fill me up  
You set my soul ablaze  
You fill me up even when I lose my head
