

# Born To Be My Baby

Bon Jovi

Rainy night and we worked all day  
Both got jobs cause there's bills to pay  
We've got something they can't take away  
Our love, our lives  
Close the door, leave the cold outside  
Don't need nothing when I'm by your side  
Cause we got something that won't ever die  
Our dreams, our pride  
My heart beats like a drum  
Flesh to flesh, one on one  
I'll never let go  
Something I know deep inside  
You were born to be my baby  
I was made to be your man  
We got something to believe in  
if we don't know where we stand  
Only God knows the reason  
But He must've had a plan  
Cause you were born to be my baby  
And I was made to be your man  
Light a candle, blow the world away  
Table for two on a TV tray  
Nothing fancy, but that's OK  
Our time, our way  
hold me close, baby hang on tight  
Buckle your seats for a bumpy ride  
We're two kids hitching this road of life  
Our world, our fight  
Stand by my side  
There's a chance we'll get by  
Know that you'll live  
In my heart till the day that I die  
You were born to be my baby  
And I was made to be your man  
We got something to believe in  
if we don't know where we stand  
Only God knows the reason  
But He must've had a plan  
Cause you were born to be my baby  
I was made to be your man  
My heart beats like a drum  
Flesh to flesh, one on one  
And I'll never let go  
There's something I know deep inside  
you were born to be my baby  
I was made to be your man  
We've got something to believe in  
if we don't know where we stand  
God knows the reason  
Oh, He must've had a plan

Cause you were born to be my baby  
And I was made to be your man
