

# Sick Like Me

## In This Moment

Is it sick of me  
To need control of you  
Is it sick to make  
You beg the way I do  
Is it sick of me  
To want you crawling on your knees  
Is it sick to say  
I want you biting down on me  
Are you sick like me  
Am I beautiful  
As I tear you to pieces  
Am I beautiful  
Even at my ugliest, you always say  
I'm beautiful  
As you tear me to pieces  
You are beautiful  
Even at your ugliest, I always say  
You're beautiful and sick like me  
Is it sick of me  
To feed the animal in you  
Is it sick to say  
I tease the hunter like I do  
Is it sick of me  
To watch the wicked way you thrill  
Is it sick to say  
That I live to break your will  
Am I beautiful  
As I tear you to pieces  
Am I beautiful  
Even at my ugliest, you always say  
I'm beautiful  
As you tear me to pieces  
You are beautiful  
Even at your ugliest, I always say  
You're beautiful and sick like me  
Am I beautiful  
As I tear you to pieces  
Am I beautiful  
Even at my ugliest, you always say  
I'm beautiful  
As you tear me to pieces  
You are beautiful  
Even at your ugliest, I always say  
You're beautiful and sick like me
