

# One of Us Must Know (Sooner or Later)

Bob Dylan

I didn't mean to treat you so bad  
You shouldn't take it so personal  
I didn't mean to make you so sad  
You just happened to be there, that's all  
When I saw you say "goodbye" to your friend and smile  
I thought that it was well understood  
That you'd be comin' back in a little while  
I didn't know that you were sayin' "goodbye" for good  
But sooner or later, one of us must know  
That you just did what you're supposed to do  
Sooner or later, one of us must know  
That I really did try to get close to you  
I couldn't see what you could show me  
Your scarf had kept your mouth well hid  
I couldn't see how you could know me  
But you said you knew me and I believed you did  
When you whispered in my ear  
And asked me if I was leavin' with you or her  
I didn't realize just what I did hear  
I didn't realize how young you were  
But sooner or later, one of us must know  
That you just did what you're supposed to do  
Sooner or later, one of us must know  
That I really did try to get close to you  
I couldn't see when it started snowin'  
Your voice was all that I heard  
I couldn't see where we were goin'  
But you said you knew and I took your word  
And then you told me later, as I apologized  
That you were just kiddin' me, you weren't really from the farm  
An' I told you, as you clawed out my eyes  
That I never really meant to do you any harm  
But sooner or later, one of us must know  
That you just did what you're supposed to do  
Sooner or later, one of us must know  
That I really did try to get close to you
