## **Glad You Came**

## **The Wanted**

The sun goes down, the stars come out And all that counts is here and now My universe will never be the same I'm glad you cameYou cast a spell on me, spell on me You hit me like the sky fell on me, fell on me And I decided you look well on me, well on me So let's go somewhere no one else can see, you and meTurn the lights out now Now I'll take you by the hand Hand you another drink Drink it if you can Can you spend a little time? Time is slipping away Away from us, so stay Stay with me, I can make Make you glad you came The sun goes down, the stars come out And all that counts is here and now My universe will never be the same I'm glad you came I'm glad you cameYou cast a spell on me, spell on me You hit me like the sky fell on me, fell on me And I decided you look well on me, well on me So let's go somewhere no one else can see, you and meTurn the lights out now Now I'll take you by the hand Hand you another drink Drink it if you can Can you spend a little time? Time is slipping away Away from us, so stay Stay with me, I can make Make you glad you came The sun goes down, the stars come out And all that counts is here and now My universe will never be the same I'm glad you came I'm glad you cameI'm glad you came So glad you came I'm glad you came I'm glad you cameThe sun goes down, the stars come out And all that counts is here and now My universe will never be the same I'm glad you came
