Don't Speak Liar

We the Kings

Just sit back
And tell me
I'm a liar for this
Don't roll your eyes
Rewind

This happens
Way too many timesSo sit back

And tell me that your

Tired of this

I know

I'll grow up someday But it's 2am

And I'm too high and dry

And I won't come down to

So when I come back

I won't say a word

I know

I've said this before

Don't speak, liarNo we won't talk

We won't say a word

I know

You've heard this before

Don't speak, liarSit back

And tell me why

I'm so prone to this

Do you think I'm fond of

Getting you and letting you down

And I'll get mine soon

So when I come back

I won't say a word

I know

I've said this before

Don't speak, liarNo we won't talk

We won't say a word

I know

You've heard this before

Don't speak, liarAnd if the story ends here

I can't be surprised to find

Your eyes are open wide

And that I have inspired youAnd when you come back

Don't say a word

I know

You've said this before
Don't speak, liarNo we won't talk
We won't say a word
I know
We've heard this before
Don't speak, liar
Don't speak, liar
Whoa-oh
Don't speak, liar
