## Runaway

## **AURORA**

Laa, ahh, ahh. Laa, aah, aah.
Laa, ahh, ahh. Laa, aah, aah.
I was listening to the ocean
I saw a face in the sand
But when I picked it up
Then it vanished away from my hands

Laa...

I had a dream I was sevenClimbing my way in a tree
I saw a piece of heaven
Waiting, impatient, for me

Daa...

And I was running far away Would I run off the world someday? Nobody knows,

Nobody knowsI was dancing in the rain
I felt alive and I can't complain
But now take me home

Take me home where I belong

I can't take it anymoreI was painting a picture
The picture was a painting of you andFor a moment I thought you were here
But then again, it wasn't true

Ohh...

And all this time I have been lying
Oh, lying in secret to myself
I've been putting sorrow on the
farthest place on my shelf

La-di-da

And I was running far away Would I run off the world someday?

Nobody knows Nobody knows

I was dancing in the rain

I felt alive and I can't complainBut now take me home

Take me home where I belong

I got no other place to go

Now take me home Take me home where I belong

I got no other place to go

Now take me home Take me home where I belong

I can't take it anymore But I kept running For a soft place to fall And I kept running

For a soft place to fall And I kept running For a soft place to fall And I kept running For a soft place to fall And I was running far away Would I run off the world someday? But now take me home Take me home where I belong I got no other place to go Now take me home Take me home where I belong I got no other place to go Now take me home, Home where I belong Oh, no, no Now take me home, Home where I belong Ho, ho, ho Now take me home, Home where I belong Oh, no, no Now take me home, Home where I belong I can't take it anymore
