

# This Land Is Your Land

Sam Hunt

This land is your land  
This land is my land  
From California to the New York island  
From the Redwood Forest to the Gulf Straight waters  
This land was made for you and me  
As I was walking that river north highway  
I saw above me that endless skyway  
I saw below me that golden valley  
This land was made for you and me  
I've roamed and rambled  
I've followed my footsteps  
To the sparkling sands of her diamond deserts  
And all around me a voice was sounding  
This land was made for you and me  
This land is your land  
This land is my land  
From California to the New York island  
From the Redwood Forest to the Gulf Straight waters  
This land was made for you and me  
This land was made for you and me
