

Shining Star

Backstreet Boys

You're my shining star
That is what you are
There is no one like you, baby
True lies angels everywhere
Everytime you're near
You will always be my babyBaby when you do the things you do
I wanna be close to you
Kissin' me to feel your every move
Oh oh! Baby I can never say how much
I need your touch
I can't get enough, oh
'Cause you know
What you do, turn me on
Oh, yeah, yeah
You're my shining star
That is what you are
There is no one like you, baby
Baby yeah, yeah
Angels everywhere
Everytime you're near
You will always be my baby
Oh my my babyBaby you're as close as close can get
And baby you know I let every single
Part of me be yours, ooh yeah
It doesn't matter if the phone might ring
'Cause I won't hear a thing
When I'm in your arms
'Cause you know
What to do, to turn me on
Oh baby
You're my shining star
That is what you are
There is no one like you, baby
Baby no, angels everywhere
Everytime you're near
You will always be my baby, babyI've never been so satisfied
With anything in my entire life
'Cause you are doin' everything so right
Oh, oh baby what? What?
I've never been so satisfied
With anything in my entire life
'Cause you are doin' everything so right

Oh, oh baby dark child Backstreet Boys c'mon You're my shining star

That is what you are

There is no one like you, baby

Yeah yeah angels everywhere

No one can compare

Everytime you're there

You will always be my baby You're my shining star

Oh yes you are

That is what you are

There is no one like you

Baby angels everywhere

Everytime you're near

You will always be my baby You know that I adore you

Wanna be there everyday for you

To satisfy your every needs my baby, baby

You know that I adore you

Wanna be there everyday for you

To satisfy your every needs my baby, baby You're my shining star

You know that I adore you

Wanna be there everyday for you

That is what you are

Satisfy your every needs my baby, baby

There is no one like you, baby

Baby angels everywhere

You know that I adore you

Everytime you're near

Wanna be there everyday for you

You will always be my baby

Satisfy your every needs my baby, baby
