

# Unconditional Love

## 2Pac

What y'all want?  
Unconditional Love  
No doubt Talking 'bout the stuff that don't wear off  
It don't fade, it'll last for all these crazy days  
These crazy nights, whether you wrong or you right  
I'm a still love you, still feel you, still there for you  
No matter what, you will always be in my heart  
With unconditional love Come, listen to my truest thoughts, my truest feelings  
All my peers doing years beyond drug dealing  
How many caskets can we witness before we see it's hard to live  
This life without God, so we must ask forgiveness  
Ask mama, why I got this urge to die  
Witness the tears falling free from my eyes before she could reply  
Though we were born without a silver spoon  
My broken down TV, show cartoons in my living room  
One day I hope to make it a player in this game  
Mama don't cry, long as we try maybe things change Perhaps it's just a fantasy a life where we  
don't need no welfare  
Shit with our whole family maybe it's me that caused it the fighting  
And the hurting in my room crying 'cause I didn't want to be a burden  
Watch mama open up her arms to hugging  
And I ain't worried 'bout a damn thang with unconditional love In this game the lesson's in your  
eyes to see  
Though things change, the future's still inside of me  
We must remember that tomorrow comes after the dark  
So, you will always be in my heart with unconditional love In this game the lesson's in your  
eyes to see  
Though things change, the future's still inside of me  
We must remember that tomorrow comes after the dark  
So, you will always be in my heart with unconditional love  
Just got the message, you've been calling all week, been out here  
Hustling on these streets ain't had a chance to speak but you know  
With you and me it's on G, we could never be enemies 'cause you been  
Such a good friend to me, where would I be without my dogs? No wonder  
Why, when times get hard 'cause it ain't easy being who we are Driven by my ambitions, desire  
higher positions  
So, I proceed to make Gs, eternally in my mission  
Is to be more than just a rap musician, the elevation of today's generation  
If could make 'em listen, prison ain't what we need, no longer stuck in greed  
Time to plan and strategize, my family's gotta eat When we make somethin' out of nothing, no  
pleasure in the suffering  
Neighborhood would be good if they could cut out all the busting

The liquor and the weed the cussing, sending love out to my block  
The struggle never stops unconditional love In this game the lesson's in your eyes to see  
    Though things change, the future's still inside of me  
    We must remember that tomorrow comes after the dark  
So, you will always be in my heart with unconditional love In this game the lesson's in your  
    eyes to see  
    Though things change, the future's still inside of me  
    We must remember that tomorrow comes after the dark  
So, you will always be in my heart with unconditional love I'll probably never understand ya  
    ways with everyday I swear, I hear ya  
    Trying to change your ways while gettin' paid at the same time  
    Just had a baby with the same eyes, something inside please let me die  
    These are strange times, how come I never made it? Maybe it's the way  
I played it in my heart, I knew one day I gotta be a star My hopes and all my wishes so many  
    vivid pictures and all the currency  
    I'll never even get to see this fast life soon shatter us  
'Cause after all the lights and screams nothing but my dreams matter  
Hoping for better days maybe a peaceful night, baby, don't cry 'Cause everythang gonna be  
    alright, just lay your head on my shoulder  
    Don't worry 'bout a thang, baby girl, I'm a soldier  
    Never treated me bad, no matter who I was  
    You still came with that unconditional love  
    In this game the lesson's in your eyes to see  
    Though things change, the future's still inside of me  
    We must remember that tomorrow comes after the dark  
So, you will always be in my heart with unconditional love  
    In this game the lesson's in your eyes to see  
    Though things change, the future's still inside of me  
    We must remember that tomorrow comes after the dark  
So, you will always be in my heart with unconditional love  
    In this game the lesson's in your eyes to see  
    Though things change, the future's still inside of me
