

Unconditional Love

2Pac

What y'all want?
Unconditional Love
No doubt Talking 'bout the stuff that don't wear off
It don't fade, it'll last for all these crazy days
These crazy nights, whether you wrong or you right
I'm a still love you, still feel you, still there for you
No matter what, you will always be in my heart
With unconditional love Come, listen to my truest thoughts, my truest feelings
All my peers doing years beyond drug dealing
How many caskets can we witness before we see it's hard to live
This life without God, so we must ask forgiveness
Ask mama, why I got this urge to die
Witness the tears falling free from my eyes before she could reply
Though we were born without a silver spoon
My broken down TV, show cartoons in my living room
One day I hope to make it a player in this game
Mama don't cry, long as we try maybe things change Perhaps it's just a fantasy a life where we
don't need no welfare
Shit with our whole family maybe it's me that caused it the fighting
And the hurting in my room crying 'cause I didn't want to be a burden
Watch mama open up her arms to hugging
And I ain't worried 'bout a damn thang with unconditional love In this game the lesson's in your
eyes to see
Though things change, the future's still inside of me
We must remember that tomorrow comes after the dark
So, you will always be in my heart with unconditional love In this game the lesson's in your
eyes to see
Though things change, the future's still inside of me
We must remember that tomorrow comes after the dark
So, you will always be in my heart with unconditional love
Just got the message, you've been calling all week, been out here
Hustling on these streets ain't had a chance to speak but you know
With you and me it's on G, we could never be enemies 'cause you been
Such a good friend to me, where would I be without my dogs? No wonder
Why, when times get hard 'cause it ain't easy being who we are Driven by my ambitions, desire
higher positions
So, I proceed to make Gs, eternally in my mission
Is to be more than just a rap musician, the elevation of today's generation
If could make 'em listen, prison ain't what we need, no longer stuck in greed
Time to plan and strategize, my family's gotta eat When we make somethin' out of nothing, no
pleasure in the suffering
Neighborhood would be good if they could cut out all the busting

The liquor and the weed the cussing, sending love out to my block
The struggle never stops unconditional love In this game the lesson's in your eyes to see
 Though things change, the future's still inside of me
 We must remember that tomorrow comes after the dark
So, you will always be in my heart with unconditional love In this game the lesson's in your
 eyes to see
 Though things change, the future's still inside of me
 We must remember that tomorrow comes after the dark
So, you will always be in my heart with unconditional love I'll probably never understand ya
 ways with everyday I swear, I hear ya
 Trying to change your ways while gettin' paid at the same time
 Just had a baby with the same eyes, something inside please let me die
 These are strange times, how come I never made it? Maybe it's the way
I played it in my heart, I knew one day I gotta be a star My hopes and all my wishes so many
 vivid pictures and all the currency
 I'll never even get to see this fast life soon shatter us
'Cause after all the lights and screams nothing but my dreams matter
Hoping for better days maybe a peaceful night, baby, don't cry 'Cause everythang gonna be
 alright, just lay your head on my shoulder
 Don't worry 'bout a thang, baby girl, I'm a soldier
 Never treated me bad, no matter who I was
 You still came with that unconditional love
 In this game the lesson's in your eyes to see
 Though things change, the future's still inside of me
 We must remember that tomorrow comes after the dark
So, you will always be in my heart with unconditional love
 In this game the lesson's in your eyes to see
 Though things change, the future's still inside of me
 We must remember that tomorrow comes after the dark
So, you will always be in my heart with unconditional love
 In this game the lesson's in your eyes to see
 Though things change, the future's still inside of me
