

Sinner Like You

Parson James

I'm confessing.
Somebody say a prayer for me
Father I testify.
Don't want to tell another lie.
Or am I out of sight out of mind
Walls are caving.
Hold your blessing
I'm confessing.
Somebody a prayer for me.
I'm a sinner like you.
Just a sinner like you.
Should I go.
Should I stay.
Are they ever going to change?
Should we give them an amends?
If I do run away, mom won't you be afraid
