## **Dynasty (Elephante Remix)**

## Miia

Some days
It's hard to see
If I was a fool
Or you a thief

Made it through the maze to found my one in a million

And now you're just a page torn from the story I'm living

And all I gave you is gone Tumbled like it was stone

Thought we built a dynasty that heaven couldn't shake
Thought we built a dynasty, like nothing ever made
Thought we built a dynasty forever couldn't break ye

Thought we built a dynasty forever couldn't break up

The scar, I can't reverse

And the more it heals, the worse it hurts

Gave you every piece of me No wonder its missing

Don't know how to be so close to someone so distant

And all I gave you is gone Tumbled like it was stone

Thought we built a dynasty that heaven couldn't shake Thought we built a dynasty, like nothing ever made Thought we built a dynasty forever couldn't break up

It all fell down
It all fell down

It all fell

It all fell down

It all fell down

It all fell

It all fell down

It all fell down ehhh

It all fell down

It all fell down

It all fell down

And all I gave you is gone

Tumbled like it was stone

Thought we built a dynasty that heaven couldn't shake Thought we built a dynasty, like nothing ever made Thought we built a dynasty forever couldn't break up

It all fell
It all fell down
It all fell down ehhh
It all fell down

It all fell down
It all fell down
(And all I gave you is gone)
It all fell
It all fell down
It all fell down
