

# Swordsman (feat. Killah Priest)

GZA

When a motherfucker steps out his place  
And gets slapped in his motherfuckin face  
Just because the motherfucker tried to base, The G.O.D, The G.O.D  
And while I see his whole clique pass us by  
Motherfuckers think they qualify  
And for those niggas want to try  
The G.O.D., the G.O.DYo, I'm not caught up in politics  
I'm no black activist on a so-called scholar's dick  
I come through with the Wu and drop math  
And versatile freestyle bombs and phonographs  
And deliver, all things in number and weight  
Searched to death, on how living things relate  
Cause at a young age, I was molded in a religion I relied on  
And got caught up in superstition  
Scared to split pole, ducked black cats  
Once in a while, threw salt over my back  
But with knowledge of self from off the shelf  
Made things seemed complicated now small like elves  
So turn off the lights, light a candle, and have a seance  
Pull the lid off the Dean Martin scandal  
Witches, warlocks, spooks and holy ghosts  
RZA let's defraud the hoax  
When a motherfucker steps out his place  
And gets slapped in his motherfuckin face  
Just because the motherfucker tried to base, The G.O.D, The G.O.D  
And while I see his whole clique pass us by  
Motherfuckers think they qualify  
And for those niggas want to try  
The G.O.D., the G.O.DWe were on the same ship when the slaves were checked  
I had to pull your card, you was on the top deck  
So I plotted my escape, I saw the thin line between love and hate  
And fast from the hog on the plate  
I suffered brutal pain, from whips and chains  
Punishments that were set to wash the brain  
So look listen observe and also respect this jewel  
Drawed up, detect and reflect this  
Light I shine, because my powers is refined  
Through the truth, which manifest through eternal minds  
Purified gases and masses the same elements  
That helped spark civilization classes  
I see brothers quote math plus degrees  
Look at professor-ass niggas can't feed they own seeds  
When a motherfucker steps out his place

And gets slapped in his motherfuckin face  
Just because the motherfucker tried to base, The G.O.D, The G.O.D  
And while I see his whole clique pass us by  
Motherfuckers think they qualify  
And for those niggas want to try  
The G.O.D., the G.O.D
