

# Rosie

## John Mayer

Rosie  
Come down and get the door for me  
I'm drunk again, remember when we used to be?  
Rosie  
I know you said no more for me  
But that was all before this dream that just came to me  
Don't leave me here  
Under the January rain  
Come let me in  
Take my heart by the hand  
And lead me back to your room  
And sing me your tune  
Rosie  
You don't have to hide his things  
I'm fine with all the sorrow that tomorrow brings  
Whoa-oh-oh, Rosie  
Don't you know my love is true  
'Perdon' and 'lo siento', see  
I learned those words for you  
Don't leave me here  
Under the January rain  
Come let me in  
Take my heart by the hand  
And lead me back to your room  
And sing me your tune  
Don't leave me here  
Under the January rain  
Come let me in  
Take my heart by the hand  
And lead me back to your room  
And sing me your tune
