I'm Changing My Name to Chrysler

Arlo Guthrie & Pete Seeger

by Tom PaxtonOh the price of gold is rising out of sight
And the dollar is in sorry shape tonight
What the dollar used to get us now won't buy a head of lettuce
No the economic forecast isn't right
But amidst the clouds I spot a shining ray
I can even glimpse a new and better way
And I've devised a plan of action worked it down to the last fraction
And I'm going into action here today
CHORUS:

I am changing my name to Chrysler
I am going down to Washington D.C.
I will tell some power broker
What they did for Iacocca
Will be perfectly acceptable to me
I am changing my name to Chrysler
I am headed for that great receiving line
So when they hand a million grand out
I'll be standing with my hand out

Yes sire I'll get mineWhen my creditors are screaming for their dough

I'll be proud to tell them all where they can all go

They won't have to scream and holler

They'll be paid to the last dollar

Where the endless streams of money seem to flow

I'll be glad to tell them what they can do

It's a matter of a simple form or two

It's not just renumeration it's a liberal education

Ain't you kind of glad that I'm in debt to youCHORUSSince the first amphibians crawled out of the slime

We've been struggling in an unrelenting climb

We were hardly up and walking before money started talking

And it's sad that failure is an awful crime

Well it's been that way for a millenium or two

But now it seems that there's a different point of view

If you're a corporate titanic and your failure is gigantic

Down to congress there's a safety net for youCHORUS
