

Don't Make a Scene

Atlas Genius

Well we're not wrong yet
When we're safe in youth
And it's on and on
Our mistakes are true
Should we take the call
When the sun gets low
It's a long day coming
If we see it all I don't mean it was
Good enough to pretend
But it worked for a timelapse
close to the.

And I'll be on my own 'cause I don't feel like myself
and if she's falling down don't make a scene don't make a sound If we're not wrong yet

Am I safe in youth
Can it all go on
If mistakes are true I don't mean it was
Good enough to pretend
But it worked for a timelapse
close to the.

And I'll be on my own 'cause I don't feel like myself
and if she's falling down don't make a scene don't make a
sound And I'll be on my own 'cause I don't feel like myself
and if she's falling down don't make a scene don't make a sound
