

# The Oogum Boogum Song

Brenton Wood

Oogum oogum boogum boogum  
boogum now baby  
you're castin' your spell on me  
i say, "oogum oogum boogum boogum  
boogum now baby  
you're castin' you're spell on me."  
you got me doin' funny things like a clown  
just look at me

When you wear your high heeled boots  
with your hip hugger suit  
it's all right, you're outta sight  
and you wear that cute mini skirt  
with your brother's sloppy shirt  
i admit it, girl that i can dig it  
well then i says...

Oogum oogum boogum boogum  
boogum now baby  
you're castin' your spell on me  
i say, "oogum oogum boogum boogum  
boogum now baby  
you're castin' your spell on me."  
you got me doin' funny things like a clown  
just look at me

When you wear your bell bottom pants  
i just stand there in a trance  
i can't move, you're in the groove  
would you believe little girl  
that i am crazy 'bout you  
now go on with your bad self

Ooooo my my my baby's got that spell on me  
ooooo now mercy, mercy on me  
When you wear those big earrings,  
long hair, and things  
you got style, girl, that sure is wild  
and you wear that cute trench coat  
and you're standin' and posin'  
you got soul, you got too much soul  
I just say who got the blues  
say who got the blues  
say who got the blues now  
castin' your spell on me  
well i say, "who got the blues

say who got the blues..."
