

I'm Sorry

Blake Shelton

You say you don't know what you were thinking
Or neither do I
And after all the time we spent together
You think you deserve another try Well girl, I don't know what it is that you're expecting
Just because you look me in the eye Say you're sorry, oh, you're sorry
You want it back the way it was
Well, I'm sorry
But sometimes sorry just ain't good enough
You say you never meant to hurt me
Well, that might be true
But do you think I really should forgive you
For what you put me through? Oh, I remember every time you said you love me
But I know now your love was just a lie And you say you're sorry, oh, you're sorry
You want it back the way it was
Well, I'm sorry
But sometimes sorry just ain't good enough Oh girl, I don't know what it is that you're expecting
Just because you looked me in the eye
Say you're sorry, yeah
Oh you're sorry, so sorry
And you want it back the way it was
Well, I'm sorry
But sometimes sorry just ain't good enough
