

# Love Song

Sky

Your brothers they all think I'm crazy  
I think it's nothing at all  
Today I'm feeling kinda lazy  
So I'll be sleeping it off  
Once again, it's kinda like a love song  
Crazy old fashioned love song  
Then she decides that the dogs they belong inside  
It's a never ending ride you're taking  
I can decide for you, hey  
It's kinda like a love song  
Some party's happening somewhere else, baby  
Here there is nothing at all  
Someday I'll be somebody's love slave  
For now I've got me all to myself  
And it's kinda like a love song  
Crazy old fashioned love song  
Then she decides that the dogs they belong inside  
It's a never ending ride you're taking  
I can decide for you, hey  
It's kinda like a love song  
We think he's alive but the flies make me wonder why  
It's a never ending pile I'm raking  
Chester's beside you and he's  
Singing you a love song  
And while you're finding your way home  
Me, I'll be watching me a TV show  
And if the darkness is all you see  
Well then you don't know what you're missing  
Well it's kinda like a love song  
Then she decides that the dogs they belong inside  
It's a never ending ride you're taking  
I can decide for you, hey  
It's kinda like a love song  
We think he's alive but the flies make me wonder why  
It's a never ending pile I'm raking  
Chester's beside you and he's  
Singing you a love song  
Your brothers they all think I'm crazy
