

# Take Me to Your Heart (Mark Cyrus Reggae Mix)

## Bananarama

Take me to your heart now, baby  
Take me to your heart, come on, come on  
I can't stop thinking about you  
Take me to your heart  
Take me to your heart, come on I must be dreaming  
And my heart can't fight the feeling  
'Coz when I saw you  
I just knew what I'm missing So how much time will it take  
'Till we get to that day  
So come on now  
Heaven could be waiting  
Take me to your heart now, baby  
Take me to your heart, come on, come on  
I can't stop thinking about you  
Take me to your heart  
Take me to your heart, come on Baby when you hold me  
You really got me going  
Oh what you do  
You really move me baby So how much time will it take  
'Till we get to that day  
So come on now  
Heaven could be waiting Take me to your heart now, baby  
Take me to your heart, come on, come on  
I can't stop thinking about you  
Take me to your heart  
Take me to your heart, come on  
So how much time will it take  
'Till we get to that day  
So come on now  
Heaven could be waiting Take me to your heart now, baby  
Take me to your heart, come on, come on  
I can't stop thinking about you  
Take me to your heart  
Take me to your heart, come on
