

# Crashing (feat. Bahari)

## Illenium

Intoxicating your kiss  
Intoxicating your lips  
Nobody does it like this I find it hard to resist, oh-oooh  
Feeling out of control, beautifully sold  
What's coming over me?  
It's a total eclipse of rationality I don't usually say this  
I don't usually play this game  
Yeah, I know I'm not faded  
But it kinda feels that way  
I don't usually say this  
But I think I should let you know  
That baby, baby I don't, I don't wanna go  
How could I go home  
When I feel like I belong in your arms  
It's like Champagne, feel it pouring in my veins  
Yeah, I got myself too drunk on you to drive  
So I'm crashing here tonight  
(Ooh-oooh) Tonight (Ooh-oooh), tonight (Ooh-oooh)  
Oh-oh, so I'm crashing here tonight Hey, are you really this good?  
Damn, are you really this good?  
Baby, you're just like a drug  
I'd bottle you up if I could, oh-oooh  
Feeling out of control of your chemicals  
What's coming over me?  
It's a total eclipse of rationality  
I don't usually say this  
I don't usually play this game  
Yeah, I know I'm not faded  
But it kinda feels that way  
I don't usually say this  
But I think I should let you know  
That baby, baby I don't, I don't wanna go How could I go home  
When I feel like I belong in your arms  
It's like champagne, feel it pouring in my veins  
Yeah, I got myself too drunk on you to drive  
So I'm crashing here tonight  
(Ooh-oooh) Tonight (Ooh-oooh), tonight (Ooh-oooh)  
Oh-oh, so I'm crashing here tonight How could I go home  
When you're all I wanna know?  
Come on, let me see your bed  
It's too late for this to end  
Yeah, I got myself too drunk on you to drive

So I'm crashing here tonight How could I go home  
When I feel like I belong in your arms  
It's like Champagne, feel it pouring in my veins  
Yeah, I got myself too drunk on you to drive  
So I'm crashing here tonight  
(Ooh-ooh) Tonight (Ooh-ooh)  
Yeah I'm crashing here tonight (Ooh-ooh)  
Oh-oh, so I'm crashing here tonight
