

# A Year Without Rain

## Selena Gomez & The Scene

OoooooooouuuhOoooooooouuuhhhhh  
Can you feel me?  
When I think about you  
With every breath I take  
Every minute  
No matter what I doMy world is an empty place  
Like I've been wanderin' the desert  
For a thousand days (ooh)  
Don't know if its a mirage  
But I always see your face  
Baby!  
I'm missing you so much  
Cant help it I'm in love  
A day without you is like a year without rain  
I need you by my side  
Don't know how I'll surviveA day without you is like a year without rain  
(ooh)Woooooooooaaahhhh  
The stars are burning  
I hear your voice in my mind (voice in my mind)  
Can't you hear me calling  
My heart is yearning  
Like the ocean that's running dryCatch me I'm falling  
It's like the ground is grumblin' underneath my feet, (Won't you save me)  
There's gonna be a monsoon when you get back to me (oooh baby)  
I missing you so much  
Cant help it I'm in love  
A day without you is like a year without rain  
I need you by my side  
Don't know how I'll survive  
A day without you is like a year without rain (ooh)  
Woooooooooaaah...  
So let this drought come to an endAnd make this desert flower againI'm so glad you found me,  
stick around me  
Baby, baby, baby (ooooohh)It's a world of wonder  
With you in my life  
So hurry baby  
Don't waste no more timeAnd I need you here I  
Can't explain  
A day without you  
Is like a year without rain (ooh)  
I missing you so much  
Can't help it I'm in love

A day without you is like a year without rain  
I need you by my side  
Don't know how I'll survive  
A day without you is like a year without rain (oooohh)  
Woooooooooah.  
Ooooooooooooooooooooooh Oooohhh (Wooooaaahhh)
