

Empty Wallets

5 Seconds of Summer

Stop digging in your heart 'cause tonight is on me
Tonight is on me
Stop trying so hard is what you said to me, what you said to me
Get too high when I'm high
So we see eye-to-eye, woah, oh
Think the high out with the low
And away and away we go
Living our lives
Dancing on empty wallets
Spend it all on you
Spend it all on you
Until we die
Dancing on empty wallets
Spend it all on you
Spend it all on you
We got a whole night, won't you spend it with me?
Live it with me?
We got our lives, but living ain't cheap
Living ain't cheap
Get too high when I'm high
So we see eye-to-eye, woah, oh
Think the high out with the low
And away and away we go
Living our lives
Dancing on empty wallets
Spend it all on you
Spend it all on you
Until we die
Dancing on empty wallets
Spend it all on you
Spend it all on you
Sugar caught a break
The fluid ain't to blame
For the sugar causing pain
Living our lives
Dancing on empty wallets
Spend it all on you
Spend it all on you
I always believed in second chances
I always believed in you
I always believed in second chances
I always believed in you
Living our lives
Dancing on empty wallets
Spend it all on you
Spend it all on you
Until we die
Dancing on empty wallets
Spend it all on you

Spend it all on you Sugar caught a break
The fluid ain't to blame
For the sugar causing pain Well living our lives
Dancing on empty wallets
Spend it all on you
Spend it all on you
