

# One Headlight

## The Wallflowers

So long ago I don't remember when  
that's when they said I lost my only friend  
they said she died easy of a broke heart disease  
as I listened through the cemetery trees I seen the sun comin' up at the funeral at dawn  
with the long broken arm of human law  
now it always seemed such a waste  
she always had a pretty face  
I wondered why she hung around this place hey-ey-ey  
come on try a little  
nothing is forever  
there's got to be something better than in the middle  
me and cinderella  
put it all together  
we could drive it home  
with one headlight  
she said it's cold  
it feels like independence day  
and I can't break away from this parade  
but there's got to be an openin'  
somewhere here in front of me  
through this maze of ugliness and greed  
I've seen the sun up ahead at the county line bridge  
sayin' all is good and nothingness is head  
we ran until she's out of breath  
she ran until there's nothing left  
she hit the end, it's just her window ledge hey-ey-ey  
come on try a little  
nothing is forever  
there's got to be something better than in the middle  
me and cinderella  
put it all together  
we could drive it home  
with one headlight  
well this place is old  
it feels just like a beat up truck  
I turn the engine but the engine doesn't turn  
well it smells of cheap wine and cigarettes  
this place is always such a mess  
sometimes I think I'd like to watch it burn  
I'm so alone  
I feel just like somebody else  
man, I ain't changed, but I know I ain't the same

but somewhere here in between the city walls of dying dreams  
I think her death it must be killing me hey, hey, hey-ey-ey  
come on try a little  
nothing is forever  
there's got to be something better than in the middle  
me and cinderella  
put it all together  
we could drive it home  
with one headlight.
